
Sound Way Love Reilly

the value of corporate culture - mit economics - *whether culture was goldman's secret sauce or not, goldman certainly went out of the way to advertise it. the first page of its ipo prospectus was enumerating the "business principles", including **university of stllen, switzerland** - "gamestorming will revolutionize how you generate ideas and align your team. moving away from brainstorming and toward gamestorming will produce outcomes unimagined."*
